Cairde “Fág an Bealach”/ Friends of Carey Faughs

The Club has a strategic plan in place which involves a number of investments for the future. These proposed investments will mean that the Club will have to show a regular means of income, and the traditional events which we normally run throughout the year, is not seen as a regular income by funding authorities and financial institutions. This is why the club has been promoting the “Friends of Carey Faughs” Scheme, which will offer supporters, players and friends of the club the opportunity to help in this investment for the future. You should have received a leaflet, in the post, outlining the “Friends of Carey Faughs” Scheme where for a £10 per month standing order you can be a part of developing current Club facilities. There have been Committee members calling in areas of the parish, and if you have not been contacted yet, we will be calling with you soon to discuss our plans and ask for your support. We have had a overall positive response to the Scheme, and to all of those who have been kind enough to sign up to the Friends of Carey Faughs we pass on our sincere thanks.

Crannchur an Chontae / Saffron Sweep

Co.Antrim Saffron Sweep tickets are been sold on a commission basis this year which means that whichever Club you buy the ticket from, will get a percentage of the price of the ticket. So it is important if you want to buy a ticket, to purchase it from your own Club. A summary of the commission payable on a range of tickets sales is summarised in the table below:

<u>Total tickets sold by club</u>	<u>Commission earned</u>
20	£450
50	£950
100	£3,200
130	£4,700
150	£5,700
200	£8,450
250	£11,450

So a club selling 200 tickets or more will be earning an average commission of more than £40 per ticket.
