### Foireann Sinsir / Senior Team

#### ACHL Division 2

#### Wednesday 11<sup>th</sup> April 2011:

#### Glenariffe 3-16 Carey Faughs 1-8

Carey started the game on the attack and pointed a free from around 45 metres after 40secs. Glenariffe soon got their first score on the board with a point after 4 mins. Glenariffe then hit a couple of wides before settling and number 10 sent their 2nd point over the bar approaching 10 mins. A Shane McCambridge point around 14½ mins levelled the score at 2 points apiece. A minute later Glenariffe pointed a free to go 1 ahead and momentum was now with the home side as they went on the attack again and Glenariffe found the back of the net nearing 20 mins on the clock after Steven McGinn saved the initial shot but couldn't get on his feet quick enough again to stop the rebound. Carey replied straight away with a point by Tommy Devlin but Glenariffe then also went up the other end of the pitch to add a point by no.13. In the last 5 minutes of this half Glenariffe converted another free and a 65', Carey could only reply with a pointed free by Cathal McAuley and with the 1st half nearly on the blow Carey conceded another goal by no.11 to leave the home side with a 8 point lead going into the break.

**Half time score:** Glenariffe 2.6 Carey 0.4

Glenariffe started the 2nd half as they ended the first and added a point to the board within just 15 secs. Carey responded sharply when a Martin Hunter shot was pushed wide for a 65', Cathal McAuley took the 65' but hit it short and Martin Hunter jumped up for a brilliant catch among several players and turned and hit it over the bar for Carey's 1st point of the half after a minute and a half. Disaster struck for the visitors when Glenariffe found the back of the net for the 3rd time after a well worked move started by no.8. The home side added 2 more points, 1 from a free before Carey added their 2nd of the half after 10 minutes by Martin Hunter. Martin Hunter managed to make another great catch and fed the ball to Sean McLaughlin who had made a great run from midfield to send the ball over the bar. However, Glenariffe gained momentum once again and in the ascendancy 4 more Glenariffe points were added to the scoreboard before Carey fought back to rattle the net with a James McCouaig goal at the 20 min mark.

However, it was too little too late as Carey could only register 1 more point to the board while the home side added a further 4 to win their 1st league match of 2012 by a comprehensive 14 point margin.

### Táig League Division 2a

#### Sunday 1st April 2012:

#### Carey 1.11 Tir na nÓg 2.9

Carey started brightly with a point on the board from Cathal McAuley in the first 25 seconds. The next few minutes saw Carey add another point but also hit 3 wides on the trot. 5 mins later Carey saved a Tir na nÓg close range free resulting in a 65' which was duly converted by Tir na nÓg number 9. Tir na nÓg added another point to the board before their own keeper was forced to make a brilliant diving save from a James Black shot on goal after a fantastic pass by Kieran Kane. The resulting 65' was hit short and cleared. Tir na nÓg went ahead 3 points to 2 approaching the 18th min with a pointed free from 70 metres. Within 3 mins the visitors increased their lead to 4 when a 21m free found the back of the net. Carey replied with a point by James McCouaig but Tir na nÓg also added a point a minute later. The last score of the half came in the 28th minute when a James Black free dropped short and Christopher Butler got a touch to find the back of the net for a controversial goal with the Tir na nÓg team claiming a square ball and the Tir na nÓg keeper receiving a yellow card for his persistent arguing with the referee about his and the umpires decision.

**Half time score:** Carey 1.3 Tir na nÓg 1.4

Carey started off the brighter team again in the second half with a point in the first minute. This good start was undone with scrappy Carey defending leading to a Tir na nÓg goal half a minute later. Carey dug deep and responded with 3 unanswered points to leave it level after 9 minutes. A minute later Tir na nÓg took the lead again with a pointed free. Carey replied straight away with a point to level things once again and a James Black point from play gave Carey the lead at the 14 minute mark. Both sides hit numerous wides in the remainder of this half. Carey also conceded 3 frees in scoreable positions in this period to give Tir na nÓg a 2 point lead after 25 minutes of play. Carey reduced the deficit to 1 with a Cathal McAuley point and then a converted Chrissy Butler free levelled the match for the 5th time in this half approaching 29 minutes. Tir na nÓg's 5th free in Carey's half resulted in their 5th point of the half to lead by 1 once again. Carey can be pleased with their standard of hurling and work rate but some poor decision making from the side probably cost them the victory.

### Táin League Division 2 Semi-final

#### Friday 20<sup>th</sup> April 2012:

#### Slaughtneil 3.19 Carey 0.12

Carey were very quick off the mark with a point on the board after just 30secs by Martin Hunter and another was added just a minute later by Christopher Butler. Carey were on the attack again but Slaughtneil conceded a free en route to goal and Slaughtneil's Mark Doherty received a yellow card. Carey then converted the resulting 20 metre free to lead by 3 points after 3 minutes. Slaughtneil then went on the attack and Chrissy McKeague hit Slaughtneil's first point of the match approaching 6 minutes. Carey's 4th point came in the 8th min with a great catch from Martin Hunter following a dropped in free but Slaughtneil replied straight away with another Chrissy McKeague point. Carey conceded a couple of frees in the following minutes which Chrissy McKeague duly converted to leave it all square approaching 14 minutes. Slaughtneil took the lead for the 1st time in the match at the 15 min mark but Carey steadied the ship once again

and added 2 points to take the lead after 18 minutes. Carey finished this half with 3 converted frees by James Black and Slaughtneil replied with 2 points to leave them trailing by just 2 points going into the break.

**Half time score:** Slaughtneil 0.7 Carey 0.9

2 points a piece were exchanged in the opening minutes of this half before disaster struck and a close range free ended up in the back of the Carey net after 6 and a half minutes. This completely changed the game and Slaughtneil were spurred on by this goal adding a further goal and 3 further points before Carey could even reply with a pointed free after 13 minutes. Carey seemed to panic and a couple of positional changes could do nothing to stem the Slaughtneil onslaught as they found the back of the net for the 3rd time approaching 14 mins to lead by 8. Carey lost their shape and belief and just couldn't find a path through for any more scores in this match with a 20m free being saved and a couple of dropped in balls from frees and a 65' being turned and cleared. Slaughtneil added another 7 points before the final whistle blew to win easily by 16 points.
